DAVID OLUWATOBI EMMANUEL

MATHEMATICS & SAT TUTOR | MEP / HVAC DESIGN | AUTOCAD

Lagos, Nigeria | +234 813 800 1969 | tclassic28@gmail.com

PROFESSIONAL PROFILE

Mechanical Engineering student and certified HVAC professional with 3+ years of teaching experience, 6 months of hands-on MEP consultancy exposure, and experience delivering online Mathematics and quantitative reasoning instruction. Skilled in SAT Mathematics and Quantitative Reasoning tutoring, one-to-one Mathematics support, AutoCAD MEP drafting, HVAC and plumbing design, VRV/VRF systems, and advanced Excel engineering calculations. Experienced in physical, hybrid, and international online learning environments.

FREELANCE SERVICES

- SAT Mathematics & Quantitative Reasoning Tutoring
- Online Mathematics Tutoring for Primary and Secondary Students
- MEP / HVAC Design and AutoCAD Drafting
- VRV/VRF System Design and Equipment Selection
- Plumbing Design and Technical Drawings
- Engineering Excel Calculations, BOQ and Technical Documentation

ONLINE TUTORING EXPERIENCE

Online SAT Mathematics & Quantitative Reasoning Tutor | Freelance / Online | Remote

• Provided online instruction in SAT Mathematics and Quantitative Reasoning.

• Explained mathematical concepts clearly and guided students through quantitative problem-solving.

• Adapted lessons and practice activities to students' learning needs in a virtual environment.

Online Mathematics Tutor – Grade 6 | Private Tutoring | Canada | Remote

• Delivered one-to-one online Mathematics tutoring to a Grade 6 student in Canada.

• Provided individualized explanations, guided practice, and support with mathematical concepts and problem-solving.

• Used virtual teaching methods to maintain engagement and support consistent learning progress.

PROFESSIONAL EXPERIENCE

MEP Design Intern (Mechanical) | OJ&T Consulting, Lagos | May 2025 – Dec 2025

• Designed HVAC and plumbing systems for residential, commercial, and industrial projects.

• Used VRV/VRF selection software for Carrier, Daikin, Toshiba and LG systems.

• Developed and improved Excel calculation sheets for load estimation, duct sizing and BOQ automation.

• Produced AutoCAD drawings, riser diagrams, equipment schedules, BOQs and technical submissions.

Head of Administration | The Fellowship Network, Lagos | 2024 – Present

• Coordinate youth and leadership programs and facilitate training and mentorship for teenagers and young adults.

Team Lead | Goodnews Sound Ministry, Lagos | Jan 2025 – Present

• Oversee technical and administrative operations and train team members in leadership and technical skills.

Classroom Teacher | Dorem Montessori Schools, Lagos | Sep 2016 – Dec 2017

• Taught Mathematics, Basic Science and Introductory Technology to primary pupils and developed practical lesson plans.

Computer Instructor | Ini'Tec Computer Institute, Lagos | Jul 2016 – 2017

• Taught Microsoft Office Suite, Basic Programming and Computer Appreciation through physical and one-to-one online sessions.

Automobile Engineering Trainee | Jogos Automobile Engineering Works, Lagos | Aug 2018 – Oct 2018

• Gained practical exposure to vehicle maintenance and repair.

EDUCATION

• B.Sc. Mechanical Engineering (in view, 500 Level) — University of Lagos (UNILAG), Akoka, Lagos | 2021–2026

• National Diploma (ND), Mechanical Engineering — Ogun State Institute of Technology, Igbesa | 2017–2019

CERTIFICATIONS

• AHI Carrier HVAC Training & Certification (2025)

• AutoCAD Proficiency for MEP Design
• VRV System Design (Daikin, Toshiba, Carrier, LG, etc.)
• Solar Design and Installation

TECHNICAL & TEACHING SKILLS

AutoCAD MEP | HVAC Design | VRV/VRF | Plumbing & Firefighting Systems | Microsoft Excel (Advanced) | BOQ Preparation | Microsoft Word | PowerPoint | Google Workspace | SAT Mathematics | Quantitative Reasoning | Online Tutoring | Lesson Planning | Student Engagement

KEY ACHIEVEMENTS

• Optimized OJ&T Consulting Excel load-calculation templates, improving accuracy and reducing processing time by over 60%.
• Successfully taught and mentored more than 200 students across different age groups.
• Experienced in physical, hybrid and online teaching using Zoom, Google Meet, Microsoft Teams and WhatsApp.
